# Sum It Up!

When you're done, use the answer key to check and revise your work.

Write the term or terms that match each picture and caption.

**1** \_\_\_\_\_  
 This involves using force to move an object across a distance.

**2** \_\_\_\_\_  
 This fishing rod and reel is made of two simple machines.

**3** \_\_\_\_\_  
 You can use this simple machine to help you lift sand.

**4** \_\_\_\_\_  
 When you turn the doorknob, the latch opens.

**5** \_\_\_\_\_  
 The lever balances on this.
